

Hello parents of 8th-grade students,

Dulaney High school will be hosting a Virtual Registration Information Night on Thursday 11/12 at 6:30. This night will provide information on high school graduation requirements, college and career programs available at Dulaney High school, as well as other important items. This presentation will happen via Google Meet so it is necessary to be logged in using your student's device and Google Account. There will be an initial recorded overview presentation, afterwards, parents will be able to choose which departments/programs to visit to gain further information by going to their specific Google Meet rooms. These will be live sessions and additional codes will be provided.

The Google meet rooms will be divided by alphabet based on your student's last name

Students with the last name	A – D	should join using this code:	cparker2DHS
Students with the last name	E - H	should join using this code:	jkomosaDHS
